Pinecrest Golf Club is an attractive facility for Golf Instruction, Clinics, and enjoyable golf with its 18-hole golf course, grass practice range, and putting green. In addition to the Golf Instruction, we offer weekly leagues for men, women, and seniors.

Lessons and Clinics for children and adults from Beginner, Intermediate, and Advanced will concentrate on Golf Fundamentals. You will learn the proper Grip, Stance, and Alignment necessary to make the full and appropriate golf swing. Each session will include one portion dedicated to putting, the short game, driving, and iron play. Junior Golfers planning or already playing on their High School Golf Team should be working on their Golf Swing during the Summer and not just the week before Tryouts.

PGA Golf Professional Joe McKinney will provide Instruction. Joe is a past New England *Teacher of the Year* and one of the country's Top Teachers, giving more than 100,000 lessons over the years.

Some of Joe McKinney's students have won tournaments on the PGA Tour, Web.com Tour, and Canadian Golf Tour. One of his students has also won three tournaments on the PGA Tour in one year. Another Student is the only Amateur to play in the *Master's Golf Tournament* in Augusta, GA, four times and make the Cut to play all four days! Joe's former Junior Golfers have received Four-Year Golf Scholarships from Dartmouth, Davidson, and the University of Virginia in addition to other colleges.

If the following lesson programs are inconvenient for you or you are interested in Private Lessons or customizing your own Group Lesson, please contact Joe directly at mckinney89@aol.com or call 617-285-2707.
